AUGUST 19TH-24TH

Panther Times Newsletter

GO Panthers!!!!

Our Team:

Ms. Trawick, 3rd grade team leader

Ms. Madera, 3rd grade teacher

Mr. Sanchez, 3rd grade teacher

Mrs. Nelson, 3rd grade teacher

Mrs. Bedward, 3rd grade teacher

WELCOME BACK TO SCHOOL AT WHEATLEY ELEMENTARY!!

Dear Parents/Guardians,

The Third grade team is pleased to have your child in our classes and we are proud to announce our grade level newsletter that will be available to you each week by email only. You may also access our grade level newsletter by visiting the school website.

IMPORTANT CLASS EVENTS:

- This week in 3rd grade and school wide we will have extra reading hour from 8:15-9:15 a.m. each day.

- **Science**, our learning target is: Matter (students will develop skills to identify solids, liquids & gases and determine physical properties of objects.
- **ELA,** the learning target is recounting/retelling stories including fables, folktales, and myths from diverse cultures. Students will also determine the central message, lesson and morals of a text. (**Homework**: have your child read a story to you and retell the events of the story from the beginning-end).
- **Social Studies**, the learning target is developing mapping skills and identify the purpose for using different types of maps. **(ex. Political, geography, etc.)**
- **Math,** the learning target is place value and rounding numbers to the nearest 10's, 100's and 1000's. Students will also need to know the place value of numbers given to round.
- **Health,** the learning target lesson focuses on the different ways to communicate.

<u>Upcoming Events:</u>

August 20th- 21st Century

Homework will be given weekly. Please remember to **check your child's folder** each day for homework and school related information

Next month, our learning target in Math will focus on multiplication facts. **(Homework: Please create multiplication flash cards and practice multiplication facts with your child each night. This will greatly assist your child with multiplication fluency and skill mastery.)**

Closing Remarks:

Thank you again for your support and all you do to make 3rd grade a great year for your child!

Have a great week,

The Wheatley Third Grade Team
