Maurice Draggon, Senior Director  
Curriculum and Digital Learning

**Recipients:** Assistant Principals, Technology Resource Specialists, Library Media Specialists, Social Media Managers

**Subject:** LaunchED Family Technology Handbook

---

Curriculum and Digital Learning created an interactive Family Technology Handbook that addresses frequent questions in multiple languages, such as device check-out, fines, and at home printing. The LaunchED Family Technology Handbook can be found on the [digital learning webpage](#).

It is important for All LaunchED schools to post the [LaunchED Family Technology Handbook](#) to their school website and share with their community during the first marking period. Specific URLs, embed codes, and sample messages can be found below.
